WORK EXPERIENCE

MPOWERED

GRAPHIC DESIGN FELLOW
December 2013- Present

MPOWERD develops transformative clean energy products and solutions to light up and empower the lives of those living and playing off-the-grid the world over. As a fellow, I assist in creating and implementing brand guidelines, photo library, and social media management.

PENGUIN RANDOM HOUSE

BOOK INTERIOR DESIGN ASSISTANT
January 2013 - December 2013

As an interior book designer, I designed interior layouts for various imprints within Penguin. I worked with other designers on the implementation of book design, page layout, and typography. I also assisted the senior art director in various tasks including; preparing sample pages, office management, and working with freelancers. This past year, I have mastered typography and page layout, learned about book production, as well as expanding my office and interpersonal skills.

MOIRA & COMPANY

GRAPHIC DESIGNER
August 2012 - January 2013

At this small print based firm I assisted in editing, ad placement, and designing informational books and campaigns for a variety of universities and Chicago nonprofit organizations. Here, I gained a working knowledge of print design and also had the chance to improve my program skills.

SCHOLLE PACKAGING

GRAPHIC DESIGN INTERN
September 2012 - December 2012

Scholle Packaging is a worldwide company based in sustainable bag and fixture packaging. As an intern, I assisted with the company's internal communication campaign which included plant signage and web development. Here, I learned to work quickly as a team and developed a strong sense of design in a corporate setting.

SPECIAL SKILLS

PROFICIENT IN Adobe Photoshop, Illustrator, InDesign, Microsoft Word, Excel, PowerPoint.

SKILLED IN Processing, Adobe Audition, Flash, and Dreamweaver. Knowledge of HTML, CSS, JQuery. Also, skilled in conversational Italian.

UNDERSTANDING of how to communicate effectively through print, web, graphic and multi-media design. Also, a working knowledge 2 color and 4 color book production.

CONTINUING EDUCATION classes in letterpress, design thinking, and design research.
